Tihei Mauriora

My background in our whakapapa and lands goes back many years ago, i have been an active member in the hapū, marae, rohe and Iwi, representing Ngāti Hinemanu me Ngāti Paki for most of my life.

I am a trustee on our trust as well as a claimant.

I lodged the WAI 662 claim on Pokopoko (Mangaohane) to the Waitangi Tribunal in 1997 which has brought me down this path to be actively involve in the claims for the hapū and whānau. This claim was lodged for myself and the descendants of Winiata Te Whaaro and the hapu Ngāti Paki.

I am a trustee on Aorangi Awarua, Owahaoko B&D and Te Roopu Ahi Kaa. I believe our hapū deserves answers and justice for the wrong acts of the crown . One major issue for me is “Land Lock Lands” this is a huge issue because most of our lands in Maori ownership do not have reasonable access.

I look forward to future of the claims and settlement of our grievances
